Dear Mr. Gauthier:

We appreciate your informing us of your company's change of address. As you may know, your EPA Identification Number cannot be transferred to a new location.

We are therefore sending you a Certification Statement to withdraw the Identification Number for your former location. This will assure the Department that you are no longer generating hazardous waste at One Main St., Whitinsville, nor have left any hazardous residues.

Please return the Certification Form to the above address, Compliance Branch, fifth floor to Fran Jordan's attention so that we can process your change of status. Following receipt of your completed Certification Statement, you will be granted an inactive status. A site inspection will verify the condition of the site.

Regarding your Notification Form, send in a copy to Tanya Sweeney, EPA Region I, Waste Management Division, MA Waste Management Branch HRR-CAUS, John F. Kennedy Federal Building, Boston, MA 02203. If you need a Temporary Identification Number or need your existing one extended call 1-800-343-3420.

If you have any questions, please contact me at (617) 292-5898 or Anne Crawley (617) 292-5880.
